The pipe organ at St Peter was installed new in 1938
It was build in Woodstock, Ontario by the Woodstock
Organ Company. In the 1950's the company was bought
By the Keates Organ Company and is currently known
As the Keates Geisler Company.

The organ was donated by Mr Wm Fritz , a member of
St Peter's Lutheran church.

The instrument is a two manual unit pipe organ consisting
Approximately five ranks. These ranks are heavily unified,
up to five times in some cases, and as such there are 12 stops
for the Great manual and 13 stops for the swell manual with
6 stops for the pedal.
